Jun 2018 – Dec 2018	Architectural Experience M/s Prabhakar B. Bhagwat · Ahmedabad, Gujarat Gained practical exposure to professional architectural design processes and workflows.

- May 2017 – Jul 2017

Design Experience

Unseen (A New Dimension) · Ahmedabad, Gujarat

Gained exposure to professional design and visualization workflows.
- Jan 2015 – Dec 2015

Architecture Training

Karan Grover & Associates · Vadodara, Gujarat

Gained early professional exposure to architectural design practices.

EDUCATION

Bachelor of Architecture (B.Arch)
The Maharaja Sayajirao University of Baroda
Vadodara, Gujarat · 2014 – 2020

KEY STRENGTHS

- Planning & Coordination

Systems Thinking
- Concept Development

Adaptability
- Design Thinking

Continuous Learning
- Technical Problem Solving

Collaborative Working

CAREER OBJECTIVE

To contribute to thoughtful architectural work through design, BIM and visualization, while continuing to develop stronger technical and digital capabilities that improve the way architectural ideas are explored, communicated and delivered.

PRIMARY PRACTICE Architecture · BIM · 3D Modeling · Visualization · Design Development · Project Presentation
